

# LYNDSAY PRINGLE

REGISTERED DENTAL  
ASSISTANT

## PERSONAL PROFILE

I've always loved dentistry and the opportunity it gives me to connect with people everyday. I'm a bubbly, outgoing person who enjoys making patients feel comfortable and cared for while keeping a positive energy in the office. I love building friendships with my team and I naturally take on a supportive uplifting role wherever I work. My husband and I along with our two kids Carson (4) and Kacey (1) reside in Taylor, TX with our Golden Retriever, Bevo! Loving our semi- quiet country life!
