PROFESSIONAL SUMMARY

Compassionate and detail-oriented Registered Dental Hygienist with 10+ years of experience delivering high-quality patient care, periodontal therapy, and preventive services. Seeking a position in a patient-focused dental practice where I can contribute strong clinical skills, excellent communication, and a commitment to oral health education.

EXPERIENCE

January 2017 - Present

Dental Hygienist

Affordable Dentures & Implants, San Antonio, TX

- Deliver comprehensive hygiene care including prophylaxis, scaling and root planing (SRP), and periodontal maintenance.
- Educate patients on oral hygiene, home-care techniques, and treatment plans to support long-term oral health.
- Collaborate with dentists and team members to ensure efficient, high-quality patient care.
- Utilize digital radiography, intraoral cameras, and modern hygiene equipment to support accurate diagnosis.
- Consistently increased hygiene department revenue year over year through effective patient education, treatment acceptance, and efficient workflow.

January 2015 - Present

Dental Hygienist

Dr. Voigt's Dental Office, San Antonio, TX

- Performed routine cleanings, periodontal assessments, and diagnostic evaluations.
- Enhanced patient comfort through clear communication and a gentle, empathetic chairside manner.
- Maintained accurate patient records and ensured adherence to infection control and sterilization protocols.

EDUCATION

Dental Hygiene Program

Concorde Career College, San Antonio
