Objective

I am a registered and certified dental assistant. I trained in general dentistry with hands-on experience such as chairside assisting, iTero scanning, digital radiography/intraoral x-rays. I am certified in CPR/BLS, knowledgeable in Dentrix and OpenDental.

Education

- Leeward Community College (2019-2021)
– Pearl City, HI

- San Antonio Dental Assistant School (2023)
– San Antonio, TX

Experience

San Antonio Dental Assistant School — *Clinical Training and Assistance (2022-2023)*

- Trained in chairside assisting, digital x-rays, utilized Dentrix for patient charting
- Performed proper sterilization and infection control procedures including hand washing, ultrasonic cleaning, instrument inspection, packaging, and autoclave operation, and proper storage
- Certified through UT Health of San Antonio
- Made impressions such as full arch trays, triple tray, and preliminary impressions

San Antonio Pediatrics and Orthodontics — *Dental Assistant Externship 4 months*

- Assisted in pediatric oral examinations and cleanings
- Performed as a sterilization tech
- Trained in PANO x-rays and film x-rays (bitewings)

Northwoods Dental & Spa — *Certified Dental Assistant 4 months*

- Performed PANO, PA, and FMX x-rays
- Assisted in general dentistry and orthodontic procedures
- Set up trays for crowns, restorative, and root canals
- Made impressions, temporary crowns, and ESSIX retainers
- Utilized Dentrix for patient charting and workflow support
- Assisted in hygiene and use of perio-charting
