EXPERIENCE

Bunker27, Retail/Brand ambassador -Northstar Mall

November 2023- March 2026

- Greeting customers, making sure they feel welcome, and letting them know of the sales we have going on.
- Using the POS system consistently. To check people out.
- logging into the store computer to organize online orders and making sure the shipping rates are correct.
- Completing online orders and making sure they are taken care of and taken to the post office.
- At the end of every shift, make sure to complete deposits if there is one, and take care of any household needs, like making sure the store is ready for the next day.
- completing shipments, making sure the company store director is emailed about it, and completing shipments and restocking the store's back room and the store.
- Opening and closing the store regularly, and assisting the store manager when needed.

Advanced Dental Associates—Dental Assistant internship
