
Registered Dental Hygienist – Holmes Dental Center Universal City, TX

Our Mission

At **Holmes Dental Center**, we believe dentistry is more than healthy teeth — it's about building trust, confidence, and lifelong relationships. Our mission is to deliver exceptional oral health care in a friendly, patient-first environment where every person feels valued and understood. We combine advanced technology with a personal touch to make every visit a positive experience.

We are deeply rooted in the community, serving generations of families with integrity and compassion. Our team is committed to continuous learning, staying ahead of the curve with the latest techniques, and creating a workplace where every team member feels supported, respected, and inspired.

The Difference You'll Make

As our Dental Hygienist, you'll be a vital part of our patients' oral health journey. You won't just clean teeth — you'll help prevent disease, detect early signs of oral health issues, and educate patients on how to maintain their smiles for life. Your role will directly impact patient confidence, overall health, and their trust in our practice.

You'll also play a key role in shaping the patient's experience from the moment they sit in your chair to the moment they leave, you'll ensure they feel comfortable, informed, and cared for. Your expertise will help us deliver on our promise of exceptional dental care.
